The Premises:

Apple place is well located and discreet but most important inside was comfy and clean.

The Lady:

Apple is very friendly speaks good English she got great big boobs but she is curvier than I thought but still very attractive and pretty.

The Story:

Shower was provided upon arrival and after cleaning up I was greeted by her in a red lingerie number that I still dream of when I close my eyes. She was very attentive, not only helping me relax but she basically made me feel as I were in paradise with the time spent with her. A fantastic GFE, through and through, I would return to her without a doubt.
