The Premises:

Some flat in town.

The Lady:

Great body. But simply put, she's a "look but u are not allow to touch" kind of girl.

The Story:

Rubbish.

Turns up, looks disinterested. Immediately says "all I offer is plain boring sex".

Should have left there and then.

Boobs were too big for her and she said they hurt if they are touched. So..... No joy there.

She doesn't ride, because she says she not good.... Offers oral covered, it's passable.

Then when in mish, she constantly asks me to do all the work... And to slow down to snail pace... Followed with...."Did u cum yet?? "

Couldn't handle Doggy. At all.

Ended with a Shitty hand job.. I just wanted to get out of there. Left after 35 mins... Just crap.

Left a review on the site. It won't get published.

2 poor experiences with the agency. 2 lazy girls.... And they charge the most!
