The Premises:

A typical South London terraced house in a quiet street. It was located about a 10 minute walk from Charlton railway station on the way to Woolwich. It was ok inside, reasonably clean.

The Lady:

A dark haired, Romanian girl about a dress size 10 with large D cup firm, natural breasts.

The Story:

A bit of a hit and miss punt which luckily was a hit. Selena's breasts looked really inviting. Big and firm with large areolas. I started the session by sucking and squeezing them and I opted for Selena to continue stroking me rather than receiving covered oral. This got me suitably hard and we then continued with protected sex in doggy position. I conclude that by removing the condom and coming over her breasts.
