The Premises:

First time I've visited gfe since it used to be The Wonder Lounge. It's been beautifully renovated. The waiting area is very comfortable and tastefully decorated. The room was terrific, very large and if it had some cooking facilities it would have been an apartment. It had a large modern shower, a lounge area with a couple of settees (good for romping around) and a spacious area with a comfortable bed.

The Lady:

Rio has a terrific body, lovely legs, gorgeous bum, fabulous face and super hair... . .
. What else is there, Nothing. Just perfect. She'd make a beautiful Cleopatra. Her photos on the gfe site are accurate, she's better in the flesh though.

The Story:

Rio has a service to match her fabulous looks. She's a very enthusiastic person who's chatty and joyful. Has a lovely half laugh, half giggle. A girl who can show such enthusiasm with an octogenarian has to be something special. She gives the perfect GFE.

There was a lot of oral (not all talking either) which was excellent. She's very receptive to reverse oral, makes all the right noises, genuine ones too. Her OWO is very good and she's the first girl I've had who simply loves gagging, fantastic. She really has a body to die for and bodily contact was quite erotic. She finished me off brilliantly with a mixture of oral and hands.

I really must try her again to check I wasn't dreaming.
