The Premises:

This is a basement flat in West London.

It is very near to a District Line Tube station.

It is safe to walk around this residential area.

The flat is nice and clean.

The Lady:

This girl is a star find: Beautiful, Blonde and good looking. Her body is perfect. Although Chloe has enhanced boobs, they feel natural and compliment her curves very well.

I defy any red-blooded man to resist her. You will want her!

The Story:

The star quality continued with my experience. This girl is enthusiastic and full on.

Chloe kisses, sucks and licks like there is no tomorrow.

I wanted to explore every delicious part of her and she returned the compliment.

She really tries to give you a great experience.

What a girl!

Chloe has restored my faith with English girls.
