The Story:

Greeted with a cheery smile & kiss on cheeks Picked the body to body massage . I undressed in record time and soon Rachael unleashed her breasts and what a sight they were . Face down on the couch as Rachael rubbed oil into my back an legs and reached under me to massage my cock. Rachael rubbed that fab pair of tits on to my back and bum and as she stood at the top of the couch she removed her tiny knickers and as I looked up to see the most beautiful shaved pussy inches from my face Was told to turn over and Rachael massaged my front . Plenty more body to body with Rachael rubbing herself all over me and more oil and massaging of my cock and balls with eye contact all the time before bringing me to a explosive climax just I was saying I sometimes find it hard to get an erection - not with this lady fellows. Lovely to chat to and the views in the mirror were fantastic. Dont all rush leave an appointment for me. Report as promised Rachel , thanks , I will see you again soon.
