The Premises:

Near Leyton Underground; she gives you one location on first visit and then directs you to the next street down. The entrance to her place is down a ginned, but it is clean and nice when she lets you in. Nice big bed. Warm.

The Lady:

Photos on the other site are accurate but there are no face pics; she's not a stunner factually but she is sweet. I don't normally do for the more upholstered type but she is very well endowed indeed in the chest department. Nice ass, lovely kissable neck

The Story:

Talking of kissing, she DOES do DFK with an enthusiasm - and one of this "only in a 30 minute booking" nonsense either. She also does OWO - a lovely blowjob with full CIM. No sense of rush and she does give full value in time also. Will return for longer next time.
