The Lady:

Bigger thighs and arse than the pictures imply - not really what I wanted. Reasonable tits and a fairly slim body. Pretty face and a good personality. Probably a few years older than her bio suggests.

The Story:

Good bj without followed by a number of positions with a rubber. A little bit of kissing here and there and the occasional grunt of encouragement. A compromising lady who did all that was expected of her. I finally blew my load into her mouth and she kept sucking until I was done. We both cleaned up, kissed and I left satisfied.
