The Premises:

Hotel close to East Croydon station, safe location with easy parking at weekends, not so good during the week, but not too far from tram or town centre car parks.

The Lady:

As per photographs on web site plus a few extra pounds and a bit of photo shop, also had a boob job, Went from attractive to 'not so' as the clothes came off and hair got pinned up.

The Story:

Started badly and should have walked, booked for an hour, expected to pay £80, was asked for an extra £20 for GFE despite 'included' in price on AW, paid up, GFE experience was 1 kiss, then loads of fake moans, play with my breasts, when I did it was too rough, be gentle, she might as well have said don't bother. On to spitting on cock and balls, and blow job whilst trying to wank me off quickly! Had OWO, DATY, and sex, then offered a massage, also not very good, and the after 40 minutes time up!, despite having paid for an hour.

Tried to think of a redeeming factor, couldn't imagine one for her, but parking was easy!

Not recommended, rip off and not very good, would be over-priced at £60 for an hour, AVOID
