### The Premises:

Clean comfortable property in a safe area with plenty of free parking.  
Greeted by the lovely & charming Millie, who showed me to my room.

### The Lady:

Wow! Exceptionally pretty young lady, dazzling smile & eyes, long shapely legs, perfect bum & pert breasts. Tall. everything in proportion and very friendly.

### The Story:

Finances sorted and ready for a body to body massage from a stunning young lady. Heard myself gasp as Alex removed the jast of her lingerie apart from a pair of black stockings & I approved & mini me was very appreciative. Laying face down on the massage bed was not easy but tried as Alex rubbed oil into my neck back & thighs and soon was reaching underneath me to gently tease and rub my undercarriage which was getting plenty of attention. Next my head was massaged and when I lifted my head up to gently stroke Alex's thighs and bum I was face to face with her beautiful pussy. Alex climbed on my back, brave girl, to rub herself all over me and it had the desired effect. Turning over was heaven to see that pretty smiling face rubbing oil into all my nooks and crannies with plenty of attention to my old fella, balls & bum. Gradually brought to a climax by a wonderful slow twisting technique which had the desired effect. Alex is so sexy, friendly, chatty & a delightful young lady. Looking forward to seeing her again at the first opportunity.
