size medium, attractive, lovely hair

The Story:

disappointing, no reflection on the young lady but more to do with the pricing policy, £45 is just a basic service-back massage, covered oral & sex. for a girlfriend experience its an extra £10, strange that a parlour calls itself gfe & yet the "gfe" rates are for a basic service, thus its £55 for a gfe! I can go to a parlour nearby and for £50 have a wonderful gfe with kissing & cuddling which I didn't get at a place called gfe!

needless to say I won't be returning to this place, why not advertise the true price of a gfe instead of getting people in under false pretences?
