The Premises:

Secure apartment in block - room ok, massive selection of drinks.

The Lady:

Tall elegant, perhaps not stunning figure - more a "lanky" shape, but nonetheless a lovely body to be next to.

The Story:

She is very chatty and confident, almost appeared that she preferred to be a companion rather than sexual partner - although I accept that is probably because she wasn't attracted to me. However I had a great time, only criticism was that no A level offered, no FK, no cim. It is difficult to dictate what happens as Caprice clearly wants to be in charge - again not a problem. Would I visit again - there are plenty of other fish in the sea!
