The Premises:

Downstairs basement flat on a fairly quiet road about 100m off Edgware Road itself. Shares the place with multiple girls. Not far from some shops/coffee houses so can get a bit busy with pedestrians walking by late at night.

The Lady:

Mia - Mature look, tight body, shaved pussy, small arse, large nipples. Matches the photos and videos on the website. English quality a bit suspect (the girls were communicating in their own language throughout, and only Elsa spoke to me in English)

Elsa - Younger look, similar height to Mia, great tits, similarly tight body, hairy pussy. Matches photos on the website.

The Story:

First duo and first review!

Decided after years of punting to go for an early Christmas treat and try my first duo. It had to be an Asian couple, and searching the reviews on here Mia and Elsa came out favourably (over Catherine, for example, also available on the same site).

I chose Olina's for the straightforward booking by text, as always, and for the added bonus of their duos being £30 cheaper than anywhere else!

It was my first visit to this particular flat and felt slightly exposed with the locals walking around, but that soon went as I rang the doorbell. Elsa greeted me in lingerie and heels looking a million dollars and assisted me in getting ready for a shower. Back in the room Mia had now joined us in similarly alluring attire and as the girls took off their underwear they were quite the sight in their heels - one either side of me, Elsa kissing and Mia providing a warm up hand job.

Over to the bed - these girls were ravenous! Straight in with the OWO. Elsa went down on me whilst Mia played with my balls. Not much interaction was happening between the girls themselves, but I guess this isn't really the service that's being advertised. The girls took it in turn sucking whilst the

other kissed or offered their breasts and pussy to my face. Mia was particularly receptive to oral on her and she has some amazingly large and pert nipples. Elsa didn't seem to be a massive fan of oral on her but as she seemed to be quite keen on going down on me I wasn't complaining!

On with the rubber and the girls again took it in turns grinding on top, followed by some doggy with Mia whilst Elsa stood above her offering her breasts to me.

40 minutes of non-stop action later, I was ready to pop and informed the girls. Mia immediately went into a 69 position whilst Elsa massaged my balls. I'm fairly certain Mia and I came at the same time.

Overall an absolutely fantastic punt with some very, very, fit girls who definitely seem to enjoy what they do. Only down side was the quick massage afterwards, and the girls had me ushered out after 45 minutes or so.

Regardless of this, I'd probably treat myself to the same duo again in future!
