The Premises:

Very nice flat in Notting Hill Gate, close to tube station.

The Lady:

The pictures on the web site are accurate. IMHO she's better looking in the flesh.

Beautiful face and fantastic body. Fake tits, but soft with nice nipples.

Dressed in the leopard skin outfit which doesn't really contain those tits.

As mentioned elsewhere, she looks like a porn star.

The Story:

Jennifer also delivers the porn star experience.

I've been with lots of Thai girls who do PSE, but she's full on.

I don't think I've ever met anyone so uninhibited.

Her tongue goes everywhere, so it seemed like the decent thing for mine to do the same.

Held out for as long as I could, then finished in her mouth. She kept sucking until she had it all.

Excellent oil massage followed, right up to the end of the hour.

I don't agree with those who think the Thai scene is dead.

There are certainly fewer stars, but as I only punt occasionally, enough for me.
