### The Premises:

Victoria House is a well established business in Lutterworth Leics just off M1 junction 20. Lovely place with great receptionists probably one the best around.

### The Lady:

Adrianna is gorgeous dark haired model grade very horny with one of sexiest bodies around Tanned and well toned. ( she's a gym bunny) with some sexy tattoos which really adds to the overall look of this wonderful girl.

### The Story:

Dropped by on way back to London however could get a appointment for an hour with any of the girls present for around an hour. With a meeting back in town I decided I would sadly have to get back on the road. That was until whilst sat in the car about to leave I saw in my rear view mirror this vision of sexiness walking through the car park, raven haired super sexy ass wrapped in great jogging bottoms. carrying her large bag in to work. I killed the engine and quickly called reception to book time with whoever had just walked in. I was told her name was Adrianna but wouldn't. Be available for 40 mins..... I didn't care , booked her and boy was I glad I did.

The half hour - 40 mins was great. We connected with good humour and engaged in lots of fun in every imaginable scenario. This is one horny and experienced girl not to mention beautiful She is very open minded with party experience, Everything is done with sexiness and a smile. Throughout our session I couldn't stop admiring her stunning tanned and sculptured body.. She works hard on her body and it shows. She is as fit as you will ever see. Her legs are so toned with a truly wonderful ass all stood on a pair of highly sexy block high heels ..... The image will never leave me.

Thanks Adrianna for a very sexy and fun time. You are the real deal.a complete babe, sexy horny fun beautifully intelligent.....and I can't wait to see you again soon
