The Premises:

I find GFE to be good premises in a quite rundown area of Sheffield. Parking is on street, entrance is private and find the facilities clean and well maintained.

The Lady:

Cheryl a blond, 5' 6"ish lady with a very pretty face and beautiful brown eyes. Her stunning huge natural boobs and a firm round arse make her the perfect package.

The Story:

This is only my second punt, both at GFE although the first didn't go exactly to plan as there seemed no spark between us. This visit was the total opposite of that, Cheryl is one woman that knows how to get a man worked up. She has an amazing personality and put me at ease straightaway with her unique sense of humour and half Manc/half Danish accent. After my shower she slipped out of her Olivia Newton John inspired attire and lay next to me chatting away for a few minutes while I took in the majesty of her nakedness, those tremendous boobs in particular. After some kissing, OWO and RO I got worked up enough to get her to present that peachy arse to me and I entered her doggy style. Cheryl was very vocal and the moans of pleasure really turned me on. We moved into a side spooning type position where I could feel her tight pussy wrapping round my cock and I had to pull out before blowing my load early, which in hindsight was maybe a bad idea. Next onto cowgirl and this is where the old fella started to give up on me a bit. We took a break and chatted some more, at no point did I feel rushed. Infact it was my anxieties that was making the matter worse. After the break we tried again where I eventually managed to climax after ogling that wonderful backside view. As an inexperienced punter, who didn't have a great first experience, Cheryl changed my mind entirely. At no point did I feel rushed, I do believe I might have even overran my time, I think being in the presence of such a goddess overawed me a little. It certainly left me with a big smile on my face as I took the long journey home afterwards. Cheryl is a diamond and the next time I go back up to Sheffield, and if she is available, I'll definately be arranging another visit. A beautifully bonkers big boobed blond but no bimbo!
