### The Story:

Thought I would try the new girl Nicole and the best choice I made was shown to my room and asked to take a shower she came back after 5 mins and laid me down to give me a very sensual massage quite often running her manicured nail's up my inner thigh which made Dave stand to attention I was treated to a excellent b2b massage with her rubbing her perk boobs up and down me I was then turned over for some of the same Dave liked rubbing in between her big breast Nicole had a very cheeky smile and seemed to enjoy the fact I nearly realised about 5 times when I was finally allowed to unload Nicole held my balls tight and let me shoot every where without a doubt best happy ending ive ever had
