The Lady:

Claire is nothing like her Annabellas photo's, she is definitely older than those portrayed, would I have chosen her if these photos hadn't been greatly photo shopped then probably not. She is small almost nymph like but ok without being stunning.

This is not the first time that I would question Annabellas photo's - you really need to get this sorted.

The Story:

Asked for some of her services on her profile but she didn't have her equipment today.

Good kissing and one of the best OWO I have experienced so not a complete waste of time.

Easy to talk to but again not the sophisticated posh tosh that is portrayed in her profile.

An ok punt but unlikely to return sorry Claire.
