The Premises:

Perfectly ok flat, usual Annabellas standard, which is good.

The Lady:

Nice looking young lady, definitely looks 18-19. 5'5 tall, nice slim build, nice perky tits and face.

The Story:

Some ladys do this job because they love sex, others for the money. Sadly, Roxanna falls into the latter category. She was polite and pleasant as things kicked off, as I started to run my hands all over her lithe body and kiss her all over. After a few kisses however, she pulled back and said "I don't like this". I hadn't discussed kissing on body before handing the money over, but as she had agreed to FK I thought this was ok. Strange, I thought. Sadly this wasn't good for my erection, but I did salvage the situation by going for the FK, which surprisingly was pretty good, deep with tongues. She then suggested she gave me OWO, and I counter-suggested 69, which she agreed with, and after a bit of faffing around, climbed on top. The OWO was ok though a bit toothy, and I asked her to go easy, to which she replied "and you as well". I was sensing a bit of resentment and attitude by now, not a nice way to treat a customer. I wasn't licking particularly hard but eased up a bit, all the while trying to carress that body as much as possible. I could tell I wasn't going to make this girl cum, as she didn't seem to be into it, or like the job.

Once she had me hard I suggested mish so I could get more of the FK. My erection wasn't that reliable though, due to the frosty attitude, but I did my best. However, this was where her coup de grace came in, where she insisted on holding the condom down at the bottom of my cock, "to stop it coming up". Funny how no other girls insist on doing this, it was obviously a ploy to stop me getting too deep. I did get some more FK though, and this along with some strong thrusting made me cum. It was at this point she was the happiest I'd seen her, and a massive smile appeared on her face, as she realised it was all over.

She doesn't enjoy the job, and she doesn't understand the Annabellas standard. She won't last long.
