The Lady:

The picture is very accurate, has curves at the right place. The titty are in right sizes and those cute suckable nipples were very suckable and the pussy is the best u could ever get. It was very tasty and tight. U could lick all day long lol

The Story:

At first I tried to book her friend Ines, happens to b away so the receptionists recommend me Fiona- which was the right choice. Thank u abbey for that.

When she opened the door, couldnt beleive she is so beayiful and that visible dress she wore- could see everything waitinh for u lol

Had a few min chats, offered a bottle of water- that was a very good start- she put me in ease, relaxed- discuss abt other private things which make me interested towards her. Did the paperwork and the shower was offered before and after. After the shower, she was waiting on bed naked.

Hollyness, seeing that naked body, couldnt resist, tempting to suck/eat all day long lol. Tried in different position- during the session she asked me to go harder nd harder-she was making more sounds than I am lol and it was tight- i mean very tight lol
