### The Premises:

Her flat is in a small, discrete, pedestrian close in central Dumfries and there is adequate parking nearby. Her bedroom is small and cozy with an adjacent bathroom.

### The Lady:

A mature petite blonde Scottish lady with a trim figure and medium length hair. She has a delightful welcoming manner and smile. Small, natural breasts with very responsive large nipples. She is shaved with a piercing in her clitoris.

### The Story:

Jackie immediately removed her out garment to reveal a very sexy basque with black bra and knickers together with black stockings. I was only interested in giving and receiving oral which is what we did - OWO until a glorious climax; a clean up, and then a delightful cuddle while I returned to earth. A great session and I will return for more of the same and more !
