Phone: 01908696559

The Premises:

Older building in Fenny Stratford Milton Keynes, safe free parking near by. Easy to find. 10 minutes from M1 and 5 minutes from A5 & Bletchley railway station. Long lit path hardly overlooked by surrounding shops and businesses. Bell entry. Spacious rooms with toilet and shower facilities. Room and bathroom were very clean. Offered a shower, which was modern, clean with plenty of towels and toiletries. The maid was very professional, I was offered a drink.

The Lady:

Tamzin is Spanish, she speaks fluent English. At the moment she only has 1 photograph on the website which does not do her justice. She is very attractive, tall with that dark Spanish complexion. She has a beautiful fit body from head to toe and is fiery, "o lay" and we did. A gorgeous bum and natural tits to die for. She is about 28-30. Tamzin has a wonderful sense of humour and is very interesting to talk to having travelled extensively. You can see where she gets her Latin looks from, her parents originate from Spain and South America. She enjoyed sharing a glass of red wine and some cheese while we got to know each other. We could of talked for hours... next time.

The Story:

Tamzin is a natural Spanish beauty, she does not need make up and would not need to dress up. She entered the room wearing a stunning white bodice & stockings. We hit it off straight away. She is a wonderful kisser. I left the fee on the bed, she was only interested in kissing, we slowly undressed as we touched and got to know each others bodies, this is one hot Spanish lady. She lay down on the bed and I went to work on her moist sweet pussy, soon she was purring with pleasure until she came. We then swapped rolls she enjoyed licking my balls, turning round to 69. We then started with doggy, what a fit woman, a fantastic ass. We moved on to her riding me and finished off our first session with missionary. Tamzin is nice and tight. We talked and finished the wine. 1 hour went too quickly, I shall be back. I must also mention that the room had a king size double bed with a good firm mattress, so important for a decent fuck.
