The Premises:

Taylor's central location, in a serviced apartment off the Kingsway, is as discreet as they come. Parking is available (£1 / hour) in an anonymous on-site car park. Entry is through an intercom door system, and the building is reception free. Choose from lift or stairs to reach Taylor's top floor apartment. The apartment itself is a large studio-style room with modern en-suite bathroom. Tastefully decorated and clean, it was a comfortable place to enjoy Taylor's company. Clean, fresh towels provide for my shower afterwards, along with refreshments. Taylor is a very capable hostess!

The Lady:

A big concern when visiting a lady is always going to be "does she match the description?" With Taylor, it's a resounding yes. Admirers and enthusiasts of the mature lady will find a lot to like here! Taylor is good looking, in great shape, and very friendly. Her photographs are accurate but she tells me she has new ones on the way. No photoshopping here... Taylor is a natural lady, unenhanced and unedited.

If you can't see her pictures, Taylor is about 5'6", has short blond hair and is a size 12 / 14. Lovely boobs with great nipples and a sensational pair of legs, which were given greater emphasis by the stockings and heels being worn. And when you get to the top of those legs, the bum is rather good too! Mmmm, Taylor... it's all good!

The Story:

Reviewing a lady always seems in bad taste, unlike me a restaurant review. What you won't get with Taylor is a bad taste in your mouth, as she is fabulous. Let's start with the menu, with everything bar anal being available. Rather than fast food, this is an easy unhurried dining experience. With a range of outfits to choose from, all tastes are catered for.

I went for mutual oral with sex, which was great. Taylor begins with lots of sensual kissing and touching, which we both loved. This full on, DFK, rather than petty pecks here and there. And as our lips a toy yes entwined, our hands and explored and caressed each other's bodies. Moving on down, Taylor tastes great and responds to stimulation as you would expect. She has a very intimate piercing which is fun, and she clearly enjoys it having gentle attention. (If you've never experienced a clit ring, it's worth the visit for this alone). After enjoying Taylor in this way for some considerable time, she reciprocated, and boy does she know how to do it! One of the most enjoyable blow jobs

ever. When the time was right, she put her n the condom and took me inside her. She rode me cowgirl as a enjoyed her breasts and her bum, rubbing on my hands. The orgasm was explosive, and long.

Taylor is a great independent, British escort. She has a few selection ladies she duo's with and I'm tempted! But Taylor is now firmly on my "regular" list.
