The Story:

When I arrived the house was busy and I was informed that Danielle was the only lady available. As I've not met her before and I hadn't seen any pictures before visiting I wasn't sure what to expect but when I was introduced to her I was pleasantly surprised by her friendly and welcoming personality. During the massage she kept up a pleasant and unintrusive conversation and also kept her thong on which, when combined with her beautifully proportioned tits being on display was an instant winner for me. Once I was turned on my back she wasted no time in getting the condom on and from then on it was playtime. Afterwards some more chat while we sorted ourselves out and I left looking forward to spending more time in the company of this lovely lady.
