The Premises:

An upstairs flat in a terraced house about a 15 minute walk from Lewisham railway station. It was a quiet street but it had a staircase to the front door.

The Lady:

A Romanian girl with dyed blonde hair. She was wearing a white teddy one-piece and her breasts were spilling out the top.

The Story:

A very good massage/relief session which, despite a mix up, was very satisfying. When I handed over the cash Sabrina asked me if I'd prefer oil or cream for the massage. I presumed that was her service so I opted for oil. The medium/firm massage was performed on a low bed and it was one of the best I've received. It was performed on my feet, calf muscles, lower back, mid back, neck and shoulders. It was really soothing, but as the 30 minutes ebbed away I was aware that no attempt had been made to arouse me. Eventually, I was asked to turn over and Sabrina walked away. I asked for relief and she thought I only wanted the massage. I have a feeling this may have been another caller. She did, however, perform the deed expertly and allowed me access to her very soft breasts with large areolas. I enjoyed a very satisfying orgasm, but I had exceeded the appointment by 5 minutes.
