The Premises:

A presentable apartment just north of Hyde Park. On the 2nd floor - there is a lift but I only saw that once I was already climbing the stairs ... Clean shower.

The Lady:

As previous visits. Very nice albeit a little short (I am 6ft 2in but she is probably 5ft 2in). This is probably the 4th or 5th time I have met her. Great personality and always a pleasure to return.

The Story:

I'm going to keep the detail to a minimum here. Suffice to say I don't return to a lady multiple times unless she has something special to offer. This was a shorter duration visit (I normally go for 90 minutes) and I decided to go for a single high quality shot rather than attempt a double. It was a good strategy.

If you want more detail then see my previous review of Allegra last Summer and use your imagination.

Highly recommended. She is such an easy going girl. Treat her well and she will reciprocate.

I was 10 minutes late arriving - my fault. We ran over by 5 minutes and there was no issue. Definitely not a clock watcher.
