### The Premises:

Parking literally outside the premises clean well run friendly receptionist

### The Lady:

Savannah is a lovely tall blonde bombshell I'm currently into blondes

She supports a fantastic figure it's like wow she actually looks like she's been airbrushed in really life all the right curves in the right places

### The Story:

i arrived alittle early had a seat in reception

I was informed by the receptionist that my booking was running late, so would I like to switch my two bookings around see abs first then sienna but explained it was savannah I can see you were the mix up came from

Savannah showed to the room omg I just had to admire her she is a beauty

Quick shower to freshen up

She entered the room skip the massage into light kissing which was good even though I'm a dfk kinda guy

Fondled her boobs they look and feel fantastic

Her blowjob skills are phenomenal she is really good after some while we moved to 69

Moved back to sucking my dick on the bed

My new favourite position while getting a blowjob is where the women is on her knees so pillow on the floor she got down does her thing and wow tuck me to the edge had to stop and rubber up

Sex in doggy didn't last long

Asked if I could cum over her lovely puppies

She agreed and exploded all over them

Nothing better than cum stained titties

Top lady she's a must see
