### The Premises:

Very pleasant property, well maintained with plenty of free parking adjacent. Shown in by the gorgeous Rachael, no one should look so good in their leisure wear,

### The Lady:

Had booked to see Rachael but she was on maid duties but she recommended Poppy to me. Poppy is a stunning petite blonde with the softest of skin, very pretty face with piercing eyes, great legs, bum that just has to be fondled and stroked. Have I missed anything? Oh yes those amazing 32 E breasts with the door stop nipples.

### The Story:

Started with a pleasant kiss on cheek, exchange of pleasantries and finances sorted for 30 minute B2B.

Old chap becoming stiff already and just managed to lay face down. Good massage from Poppy on back and legs and plenty of 'reach unders' to caress my cock, balls and bum. Lots of good chat too and some touching of Poppy's bum as she traversed the massage couch. Poppy climbed on my back and rubbed those magnificent breasts all over me before standing near my head with her pussy inches from my mouth and rubbing those twin peaks on my head. Turned over as requested and Poppy soon had both breasts on my face and a nipple in my mouth, heaven. Plenty more oiling up my nether regions, a spectacular tit wank and the inevitable explosion. Fantastic 30 mins with a lady who certainly knows how to tease and give maximum pleasure.
