The Premises:

Terraced house on a residential road near Hayes centre. Basic and functional.

The Lady:

She goes by the name or 'Your Love' on the AW web-site. Her photos on the site look great - tall, big tits, just my type.

However, the reality was very different - what you get is a mid-40's housewife type wearing a gown when she

opened the door. The photos and her actual face do not match at all and either the photos are a good 15 years old

or they are of a different person. This is the reason for me writing the review - I felt deceived and cheated and should

have left right away. However, it wasn't all bad.....

The Story:

.....the good news - although she was most likely a different person to the one advertised on AW - her service was good.

Attitude was great, and she wanted to please. She's quiet, pleasant and willing to ensure the punter has a good time.

There was no rush, and pressure (although I finished in just 15 mins). She kissed me on the neck and cheeks a lot,

which I find always a good sign that the lady is prepared to make an effort.
