The Lady:

Lovely blonde with a slim attractive figure and a toned body fits her description well .

The Story:

I was shown into a room by the maid and told Chloe would be in soon and offered a drink whilst I waited . Chloe came in in black bra and panties hold up stockings and high heels and looking fabulous we came over and greeted me with light French kisses whilst fondling my old chap while I kissed her shoulders and neck we then lay on the bed for more dfk and then Chloe removed her bra so I could fondle and suck on her nipples . She then gave me OWO and then it was her turn . So I licked and nibbled on her pussy until she came long and hard and tasting sweet . She got slipped on a condom fro sex in missionary and spoons to finish . A lovely sweet girl and highly recommended .
