The Premises:

I met Clara at her upmarket boudoir, which had a nice friendly feel to it. It was located in the City Centre in a modern development, with good parking and secure entrance which made you feel safe.

The Lady:

Clara was dressed in a loose fitting black dress showing off her feminine curves, with stocking clad legs and red high heels, oozing sex appeal. She has the most beautiful eyes and a lovely warm smile.

The Story:

I found Clara to be the perfect girlfriend, eager to please, confident but just a little reserved. So friendly, and it was like we were lovers who have been apart for some time.

After we got the business side taken care of Clara made us a cocktail and we started to get to know each other. She is a well-travelled young lady and we were soon discussing our favourite cities. I offered to freshen up in the bathroom and returned to find Clara had slipped out of her dress and was now on the bed, vibrator in hand, playing with herself. I couldn't believe she had started without me! I joined Clara on the bed where we began heavy kissing and petting, touching each other intimately. Clara relieved me of my shirt and began kissing my nipples and body, to full arousal. I caressed her wet pussy and then she unzipped me and pulled down my trousers and boxers, taking me all in her mouth down her throat.

This was extraordinary and one of the best experiences I have ever had, with her tongue and throat caressing me to a frenzy in her wet mouth. We then fell onto the bed and continued more oral on each other, with her sweet-smelling pussy juices all over my face. Then with a condom I entered her so deeply with her legs almost behind her ears, so unbelievably sexy. We had sex doggy style then oral again with me finally exploding into her mouth in a frenzy. We both collapsed onto her bed in a blissfully heap.

Clara is undoubtedly one of the best kept secrets in London, a treasure whom I shall visit again and again, if she wishes of course. Writing this has already got me planning our next tryst.
