### The Premises:

Small street in town centre with a discreet inner door where you press the buzzer smile up at the camera and you are in, staff are always lovely and friendly. there is parking near by

### The Lady:

I usually see Rose or Sarah but told on the fone a newish lady called Candy who does A-Z so thought give it a try. I was not dissapointed, Candy is about 5ft 3in tall with redhair a gorgeous smile aged about 24 she was in reception when i arrived wearing a lovely one piece red out fit she shook my hand and gave me a kiss on the cheek

### The Story:

I paid my money to the receptionist was surprised that they had reduced their prices. I made my way to the room and got ready for Candy. She knocked and entered the room put her stuff down and as we were both standing she came and gave me a lovely long lingering kiss, i was asked what position do i like she offerd OWO for 20 quid extra and ANAL for 40 quid i refused both. Then it was down to bussiness, i can assure you it was one of the best punts ever real GFE which if you user her youll be back, after we cleaned up got dressed and another snog and chat told me about her kids etc.

In all a little diamond who also works at BARRONS in Preston definately will see her again treat her well shes worth it.
