The Story:

After Suzie and I had spoken on the phone she sent me a photo. Suzie arrived on time and looked even better in the flesh. Dressed conservatively in a concealing coat (it was chilly!) there was nothing left to the imagination when it came off. A figure-hugging little black dress beautifully highlighted Suzie's ample charms. Her GFE was one NOT to forget. Sensual kissing was followed by a full body massage which Suzie capped with a blo-job (OWO). In the nick of time (!) she pulled my cock from her eager mouth and placed the condom on (no bareback - this was pre-arranged over the phone). Mish; doggy; cowgirl finished me off. I defo recommend and I will be going back for more.....
