### The Premises:

So I arrived at GFE massage as usual, and was greeted by the receptionist who was polite, had a little banter humour with her, as I paid my admin fee to her, which is only £20, then you pay a minimum of £30 onwards to the lady in the room. The place is very clean and modern, and the room I saw savannah in, was very clean and modern too. There's toilets, and all the facilities you may require.

### The Lady:

So Savannah, is this beautiful and naughty bad girl type looking girl. She reminds me of one of these girls off of an R&B music video, which is awesome. She was tanned, and wore these sexy thongs and matching bra set. Beautiful green eyes, and a lovely curvy figure. She's 23, and has a beautiful curvy body, which I love. The pictures on her profile are accurate.

### The Story:

So I sat in the waiting area, until Savannah was ready, then she greeted me, and I followed her in to the room. She recommended I took a shower, even though I'd told her I already had one prior, but I respected her recommendation, as some men arrive and say the same, even though they're filthy. Anyway, I had my shower, and then waited for Savannah to return. I lay on the bed, and without asking, Savannah began to massage me with some lotion, which was really nice (she knows how to massage), with R&B playing in the background. I started feeling sleepy, so I turned over, and began to kiss her beautiful lips (on her face!!!), as I caressed her beautiful breasts, and cuddled her, which was really nice. Out of nowhere, she began sucking me, without a hat on!!! which was amazing, but I had to slow her down, as I felt I was ready to reach mount everest!!! So she got on top for a wee while, then I finished her in missionary, all this happend with oldskool R&B videos playing in the background, on the plasma. Throughout she made good eye contact, and made me feel good and relaxed. I climaxed prematurely, and thought she'd just get dressed, and leave, but she just lay infront of me, and engaged me in conversation, where we talked about her profession, and the profession of escorting etc. After our chat, I had a shower, and she showed me out. I'll be back for more soon, fo sho!!!
