The Premises:

Standard nice clean flat in Paddington. Difficult parking I use public transport but a nice neighbourhood.

The Lady:

20 year old petite brunette beauty with an amazing fresh figure. Her photos match her exactly.

The Story:

Brunela is cute, fresh and sexy girl based in Paddington. After a long hard business trip she was just what I needed to satisfy my needs and some. When I arrived at her flat she greeted me with a BFK and seduced me with some sexy talk. She stripped off slowly while rubbing me up and down and then asked me to pleasure her orally which I liked very much. She then gave me OWO as she looked at me with her sexy eyes. She then rode me starting reverse cowgirl then turning over. Her arse was absolutely amazing and made me very hard. She also rode like an absolute pro. Another highlight was fucking her from behind. Her arse is most definitely the main attraction however her cute face, sexy physique and perky boobs were also super sexy. Although she is young she seemed extremely experienced in the bedroom and knows how to make you cum (Numerous times). I would recommend Brunela to anyone and will be returning.
