The Premises:

A really nice flat with a discreet entrance near Fenchurch Street.

The Lady:

A young, slim Romanian girl with long dark hair. She wasn't the girl pictured who I think must be Nicolle.

The Story:

A very enjoyable session in a very pleasant location. The girl I saw had a really nice figure; slim with medium size natural breasts and a lovely bum. She gave me covered oral and we then had sex in the doggy position. I enjoyed a very satisfying climax and it was good to exit the flat into a decent area.
