The Story:

After a mix up on my behalf I finally got to spend an hour with this beautiful lady. From the first time I spoke to her on the phone, she was a delight, warm personality and a great laugh, and when i saw her, well all I can say is "wow". A beautiful lady, stunning looking, beautiful eyes, and a personality to die for. Had a lovely chat with her before and after and she would melt your heart. This princess deserves to be treated like the lady she is and what you get in return is mind blowing. Thank you Nina for brightening up a dull Sunday evening, haven't stopped smiling since, was a pleasure to meet you, and will again next time you are ar
