The Story:

I recently discovered Vivastreet and through the site found Lola.
Previously I had always had to travel to find a lady of negotiable affection, but now find that we have a selection right here in town.
I made the call and she texted me the post code, and on arrival the apartment number.
I wasn't disappointed by Lola in the slightest, her photographs are very accurate.
She was wearing a little black dress, and when she bent over, I caught sight of her pussy as she wasn't wearing knickers.
As I have certain medical problems, I can't have penetrative sex any more, so I opted for OWO, followed by RO, then finished with more OWO with the money shot over her tits.
Her BJ was wonderful, going down oh her was fabulous, her pussy was sweet and sensitive, as were her big nipples.
She finished me off with another BBBJ, this time my fingers played with her pussy until I came over her tits.
I will definitely be back
