The Premises:

One2One's Aylesbury flat. In a sketchy block on the East side of town out towards Watermead, but perfectly comfortable and fit for purpose. Plenty of safe parking nearby

The Lady:

Exactly as per pics - minimal, possibly even no photoshopping. Mid 20's. Italian/Russian origin. Strikingly pretty - high cheekbones and full lipped. Brown eyes. Outrageous natural breasts (34GG). Slim but curvy. Soft and deeply tanned skin. About 5'6". Fully shaved. A few tattoos but nothing too large. Julia was freshly showered and dressed in a classy black body (with bra underneath to tame the girls), knee high black opaque hold ups and 4" heels - a very professional first impression. A really really sexy woman.

The Story:

Julia welcomed me with a light kiss, exchanged paperwork and sat me on the bed whilst she went away to stash the money.

Julia started by offering me a massage which I declined (not my thing). At the top of the punt Julia was keen to find out what I wanted and during our hour together, she occasionally asked me if I was happy, if I wanted to do anything else etc etc. Very solicitous. She doesn't like anything to do with the bum but apart from that, I'm confident that she will fulfil all your requests and desires. In her heels she was pretty much looking me in the eye, so I decided to start standing up. We kissed for a few minutes - Julia seems to prefer a light FK style rather than a tongue wrestling DFK. We kissed and touched and got to know each other over a few minutes and then we slowly started to undress each other. Julia teased me slightly by keeping her scaffolding on for a while as I kissed her thighs and enjoyed feeling her back and bum, but eventually she had to unleash her monster bosom. I just sat there like a kid. I think at one point I was just laughing uncontrollably at them. 34gg. All natural. Soft and full and crying out for oil (I WILL be back). I sucked and teased on Julia's small but responsive nipples whilst I brushed her clit with my fingers against her clit and got a few moans of encouragement for my troubles. Slowly I worked my way down her body to her pussy. I was down on Julia for probably about 20 minutes before she stopped me. She repayed my efforts with little pants and moans and reached for my hands when she climaxed. It was then time for my "reward". I find that a lot of girls these days opt for the porn star type of BJ - loads of spit, effort and

eye contact with some DT checked in and (if you're very lucky) the odd bit of gagging. Julia's oral style was a complete contrast. She used her lips and tongue very gently, concentrated on the glans, shaft and balls and only occasionally got fully down on the old fella. It was a total change from the norm and very effective and before long I had to stop her for fear of ending the punt prematurely. I mac'd up and enjoyed Julia in cowgirl where she expertly varied the speed and force whilst brushing my lips with her hard nips. I was already nearly there following her blowie; It didn't take long.....

During the intermission we talked about our respective backgrounds, about Italy and Russia and about the peculiarities of the British.

By now I had ten minutes left on the clock and I knew I had absolutely no chance of a second pop. I positioned myself between Julias thighs and kept going until she climaxed for a second time - she's got a great tasting pussy by the way.

I took my shower and said goodbye. On the way out she kissed and hugged me with genuine warmth. A lovely experience and a great GFE. As I said - I WILL be back.

HIGHLY RECOMMENDED
