British though from appearance probably of Celtic ancestry, brunette, 20 something, girl next door looks, average height, medium build, medium sized breasts, fully shaved between the legs.

The Story:

Rosie dfk'd beautifully just the way I like it and this activity took up much of our time together. She even initiated it on a few instances which kept up the gfe illusion. Within the allotted time we managed to fit in a bit of frottage while dfk'ing, ro, fj and intercourse in missionary while dfk'ing then finishing with owo cim - her owo technique was excellent.

All in all a superb experience.
