### The Premises:

Very clean comfortable venue, well maintained and welcoming. Plenty of free parking nearby for up to two hours. Room had lots of mirrors. Shown u today by the lovely Roxy, who is on my to see list and ushered into the front office where the gorgeous Jamie was waiting for the room to be free. Wow, what a good choice but all the ladies I have seen here have looked and performed spectacularly. Shown to room and jumped in the shower ready for Jamie. Exited the shower and Jamie was bent over picking something up and that gorgeous bum had me standing to attention. Quick kiss and finances sorted and ready to be pampered.

### The Lady:

Early 20's drop dead gorgeous petite dark haired ,fantastic peachy bum,great full breasts,come to bed eyes and such a pretty face,very friendly personality and a beautiful freshly shaven pussy.Nice all over tan.

### The Story:

Found it difficult to lay face down on the couch but just about managed. Good oily massage with variations on pressure but as always the delight is when you feel the oil dripping down your bum as you know that a couple of hands will soon be rubbing that in to your bum, balls and cock and they were. A couple of reach unders had the desired effect and then Jamie climbed aboard and rubbed her oily body all over mine with those full breasts rubbing against my back and bum. A light head massage followed with Jamie's pussy just inches from me and her breasts rubbed in to my back. Asked to turn over and soon I had a fine pair of breasts rubbing against my head and lips before Jamie climbed on board again and rubbed herself all over me. Gently caressed her bum and breasts before about a gallon of oil was applied to my nether regions and Jamie started to build me up to climax never taking those come to bed eyes off me until I exploded. Cleaned up and a shower before heading out a happy bunny. Will see Jamie again as soon as I can.
