The Premises:

HoD2's flat on Warwick Way, close to Victoria station. Clean and tidy as always.

The Lady:

Very slim and petite lady. Photos on the website are accurate, and she was dressed exactly as today's twitter photos. No need to worry about the blurred face in the photos, as she is very pretty too.

As she doesn't yet have any reviews I thought I'd better give her one (double entendre intended).

The Story:

Cassandra asked me if I wanted any particular service, and I said I was happy to go with the flow. What followed was a very enjoyable GFE including services as listed on her profile (OWO, FK) plus 69 and sex in various positions, culminating in a happy conclusion for both of us.

As she's recently had a boob job which is still healing she kept her bra on, but this didn't detract from the experience. Another point to note is she doesn't do CIM if that's your thing.
