The Premises:

Flat is in one of those blocks off Edgware Road near Church Street market.

Ok for the purpose.

The Lady:

I honestly think Catherine is the most beautiful girl I have ever had sex with.

A while ago I said that, and meant it about another Thai girl, and if she ever reads this she will kill me.

Luckily she doesn't read this stuff.

The Story:

I have nearly booked Catherine many times, eventually choosing Mia, Jessie or other girls.

This as it turns out was a mistake. Today, Mia was unavailable, so I saw Catherine instead.

A lucky break for me, as she is VERY beautiful. Even more than her pics (cliche alert).

She met me with french kisses, wearing a very sexy pink dress which showed of her lovely body to perfection.

I wanted some domination today so I asked her to change into her domination stuff while I showered.

In this she looked even more sexy if that's possible,

More french kissing before I had to submit to pussy licking while being chastised and then owo. This was too much for me and I came buckets.

Afterwards (I'm a 1 shot guy these days) we drank beer and chatted while I was massaged.

I'm going back ASAP as I want to marry her and take her home.
