The Premises:

A very warm welcome greets you with a smile as you enter the reception (via the very discreet external door). The massage room is lit by scented candles. Warm soothing music plays in the background, the massage table is ideally placed so that you can see the beautiful girls reflection in the well positioned mirrors. I took a shower afterwards in the immaculate bathroom. Fresh towels and toiletries were provided. There's plenty of free on street parking, and to finish off my perfect experience I had a pint in the pub nearby.

The Lady:

WOW! Jenny is stunning. Tall, slim perfect curves, and my god, those beautiful firm soft boobs. I suggested she changed her profile photo as it didn't do her justice. She's also very warm and friendly which put my nerves at ease.

The Story:

This was my third visit to Hush and I'll be returning very soon.

Jenny is first class masseur, obviously very experienced. She knows exactly where to touch and how to touch. From Neuromuscular Massage to release tension in my back and shoulders, to the more erotic slow, soft & teasing Nuru Massage. We were both naked and oiled and Jenny treated me to a body to body massage. Her skins so soft & smells so fresh. She keep staring into my eyes as her hands worked their magic until I couldn't hold out any longer. This was a VERY happy ending. I wish I'd stayed longer.

I didn't realise that you could leave a review on here or I would have done sooner & for the other girls I'd previously seen at Hush. My time spent with both Chloe & Sophia were equally as amazing. Both beautiful & great at their job. Sorry you two. All three visits are equally as fantastic. If you like boobs then Hush is the place to visit.
See you soon girls. x
