The Lady:

Tanya and Lydia are of similar height, around 5-5 or so, Tanya maybe slightly taller. Both could be classed as 'the girl next door you fancy', not models but good looking. Lydia is slim, with nice, firm breasts that are the perfect size for cupping; Tanya is curvier and larger of bottom, but with smaller breasts crowned by large nipples. Lydia is British, Tanya is Romanian. Both are relaxed and chatty, good fun. You will not have to work hard to keep the conversation going with these two.

The Story:

I've seen Lydia once before, in a duo with Annabelle. Pat, who runs 00-44 had recommended Tanya as a good duo partner for Lydia, especially for the role play I wanted to run with. So Lydia and Tanya duly turned up at my hotel room one blustery evening recently.

This, as usual for me, was a schoolgirl roll play. These naughty girls had to answer general knowledge questions, with each right answer offering a choice of activity (from a list I had prepared), while each wrong answer led to a mild spanking and no choice in the service the girl was required to perform (although of course the girls had a veto should there be anything on offer they didn't fancy; but happily they gave the thumbs up to everything!). It turned out that Lydia was better able to follow the rules of the game than I was, and she helpfully pointed out to me when I had messed things up and kept me on track!

Both girls are bi, and so over the course of two hours schoolgirl uniforms were removed and there was plenty of steamy girl-girl kissing and sucking. Tanya climaxed using a toy on herself while Lydia and I fondled and kissed her and each other; my own moment came while I sat in a chair as Tanya sucked me to completion and Lydia sat astride one of my legs, accepting my fingers while kissing me and offering up her breasts for squeezing.

Wonderful fun, and I was quite exhausted by the end. The girls seemed to enjoy themselves too! Highly recommended as a duo for those who might like the company of two genuinely bi young ladies with very broad and deep sexual appetites.
