### The Premises:

As everyone says, a very good basement flat 2 minutes walk from Earls Ct Tube

### The Lady:

A perfect 10. I've been a semi regular visitor to the retreat for a couple of years and have seen most of the ladies there. Annabelle is the series that of the lot, even better than Amy. She is 6ft plus, amazing brown eyes, fantastic body. May have had a bit of facial work done but if so it was done well.

### The Story:

A tie and tease with some cbt & humiliation, including having my photo taken & tweeted with substantial weights hanging from my cock and a large dildo up my arse. Annabelle finished me off with an oiled hand job while I licked out her arse hole. She warned me I would be punished when I came. And so I was. She continued to rub my cock, which was now unbearably sensitive, and told me it would go on until I drank up all my cum. She wasn't joking and I did end up drinking it & thanking her for the privilege.

I will be back.
