The Premises:

GFE as per usual is among the best location in Sheffield.

The Lady:

Holly is absolutely gorgeous - a real stunner. She really is beautiful and has a great body to die for. Probably around 5ft 7in with longish dark hair, in her mid 20's.

The Story:

I didn't make a booking and arrived near the end of the day to be told by the lady on reception that all 5 ladies were available. The girls at GFE really are something else and when I saw Holly, I realized that the lack of choice was certainly not a problem.

The session started with her giving me good OWO, and she's awesome at that which she also appears to enjoy it. Next, I gave her a good fuck between her Big Boobs, and then licked her juicy pussy. Holly can probably get into any position as I had her on her back whilst fucking her - no problem at all: she seemed to thoroughly enjoy including doggy and with her legs against my shoulders. Lucky me! in the end, I finished off with A-Level service that was on offer.

She is simply the best girl I have ever seen.

All in all a decent punt. I can recommend Holly and I can not wait to see her again.
