The Premises:

Clean & tidy. Double bed, side table and chairs. Bath / shower clean. Fresh towels.

The Lady:

OK looking, but her photos online were either taken some years ago, or they've been airbrushed. The boobs have sagged, and she's gained some weight since.

The Story:

No OWO as advertised. Lots of dancing around and time wasting beforehand. No foreplay or mutual undressing. Handjob hard and fast (and painful). Blowjob, more suction than a Dyson vacuum cleaner, and (probably) just as unpleasant & unsatisfying. Not the GFE I'd expect. Not surprisingly my poor, manhandled, yanked, vacuumed cock went on strike at this point, so only the briefest of unsuccessful insertions.

With girls who really want to show you a good time and make the effort to make you feel special 1 hour is hardly enough; this girl had me wishing the hour was already over minutes after I got there.

Don't waste your time & money.
