The Lady:

Charlotte is a very attractive, very good looking, slim, tall blonde lady with long legs that go on forever. And a lovely, perhaps a bit cheeky, smile too! You can tell by looking at her – and you'll want to – that she looks after her body. Put it another way, she's fit (in all senses of the word). She dresses smartly to impress, in a way that is stylish yet also discreet. Underneath you will also find she is wearing some very alluring lingerie. The lingerie probably won't stay on for very long - and then you'll see that she is, naturally, just as attractive without clothes.

Her photos (both on this site and on the website) are totally accurate - but she does look even better in the flesh. Her website also accurately describes her and what she provides. The only thing it can't show you is her face and her smile! Trust me, both are very attractive features!

Mind you, I haven't mentioned Charlotte's most attractive feature - her personality! With some girls you feel that they left their personality behind (perhaps at the door, or at home). That is definitely not the case with Charlotte - she is great company both physically and mentally. She's very witty, and has a great sense of humour.

The Story:

A first class service from a lady I have seen on several occasions - which probably tells you all you need to know. On this occasion, as with others, she provided me with a stunning and very sensual experience.

When I met Charlotte the first time I was quite nervous, as I am always am when meeting someone new, but my nerves melted away almost instantly because she made me feel comfortable right from the start. I found her very easy to talk to, she is great fun and can converse readily on all manner of subjects. She comes across as a very genuine girl and very natural. The impression she gave was that she isn't putting on an act, she genuinely enjoys what she provides and she is very good at it. She is best described as a high class escort, or a courtesan. I've always found her to be reliable and punctual. During her previous visits I've always found her very flexible and accommodating; I

felt nothing was too much trouble. The same was true of this visit. All in all, time spent with her I found to be a relaxing and very enjoyable experience. She provides a perfect girlfriend experience and really looks after you and your needs.

Charlotte being a lady, I wouldn't want to go into a blow by blow "kiss and tell" about the meeting. But I can reveal there was kissing, indeed, there was far more than kissing – but the best way to describe it is to say this was a true girlfriend experience from start to finish. We started by having a chat and a drink to catch up with each other, and then progressed to the bedroom where I was able to admire her underwear. I didn't admire it for too long as it soon came off, and after a massage, some great sex followed, and afterwards we lay and chatted for a while.

As always with Charlotte I never felt hurried or rushed in any way.
