### The Lady:

Found Tanya/Anyia via Adultworks under the user name "Tanya Hot Hot"

The information on her AW profile is very questionable. The photos must be very old, and she's more like 40 than the quoted 23.

White, Romanian, About 5 foot tall, dyed blonde hair, shaven, no tatoos

### The Story:

This was a serious disappointment. On arrival at the Hotel, it was clear she looked little like her profile pictures. At best she is 35 if not nearer 40, and her body is sadly not that great. Her English is virtually nonexistent.

I was initially asked for 100 quid all inclusive for the hour. Then she demand 20 quid for OWO. Her oral skills are the worst I've ever experienced. She struggled to even give a decent hand job. Within 20 minutes she was obviously bored and decided she'd done enough, even before any sex, and got dressed!

A complete waste of 120 quid. I was left feeling used.

I would not recommended anyone visit this escort.
